## **W** I-Medic 10

Item no.: E90BT...

### ARMRESTS

Armrests TW2, height-, depth- and width adjustable (via clip closure) with soft arm pads

### FABRICS

**Seat:**

W50-W59 (100% polyester)

**Backrest and headrest:**

Self supporting mesh, black or white

### DIMENSIONS

Weight: approx. 27 kg

### FACTS

Ergonomics examination at basic model Ergo Medic 100-2

**wagner**  
**PHYSIO THERM**  
Infrarotkabinen

### EQUIPMENT

High backrest with breathable self-supporting mesh cover in the colours black or white, height-adjustable via ratchet mechanism

Convenient, ergonomic shaped moulded seat with integrated seat depth and seat angle adjustment, including patented 3D-Dondola®-seat joint

Point synchro mechanism with spring tension

Design polyamide base black

3D-infrared emitter with 36V technology for contactless, homogenous and distance independent heat transfer throughout the entire central back area for every back shape

User recognition via seat contact

Integration of the technology underneath the seat

Including power pack

Two intensities of the infrared emitter are available:

Heat load: rapid locally focused warming of the back muscles

Heat application: for local warming of the central back area, general warming and support of mental relaxation exercises at the workplace

Load-dependent braked safety castors either available for soft or for hard floors

### WARRANTY / CLAIM

If you have any complaint regarding the infrared or the battery technology, please contact the Physiotherm hotline:

-2 years warranty on the entire infrared technology without battery

-6 months warranty on the battery technology service:

Phone: +43 5223 54777 1200

E-Mail: [kundenservice@physiotherm.com](mailto:kundenservice@physiotherm.com)

For all topics regarding the remaining swivel chair components, please contact our WAGNER hotline:

Phone: +49 8239 / 789 315

E-Mail: [export@wagner-living.de](mailto:export@wagner-living.de)

In addition, our standard WAGNER terms and warranty conditions are valid.
