EQUIPMENT

The classic chair in a new guise- high-quality processing of best materials. The gracile chair offers simultaneously a high stability and good comfort.

Unique chair of its kind. The vulcanised Dondola® is the central connection between the seat and the sitting surface, ensuring three-dimensional movement during sitting

Embossed Dondola sign underneath the chair „*The original*“

The seat and back consist of an innovative plastic shell. The seating shell provides the connection for all oak wooden chair legs.

The seat and the chair legs are either available in oiled massive oak, or in laquered black or white oak.

Optional available in an upholstered version (beech).

Rubberized stop-glides for soft and hard floors
