EQUIPMENT

The new bar stool - collection matching to the W2020

High-quality processing of best materials. The gracile bar stool offers simultaneously a high stability and good comfort.

The vulcanised Dondola® is the central connection between the seat and the sitting surface, ensuring three-dimensional movement during sitting.

Embossed Dondola sign underneath the chair „*The original*“

The seating shell is made of plastic and provides the connection for the oak wooden chair legs

The foot ring is made of innovative plastic, matching the colour of the seating shell

The seat and the chair legs are either available in oiled massive oak, or in laquered black or white oak

Optional available in an upholstered version (beech)

Rubberized stop-glides for soft and hard floors
