DELIVERY

This product is only available assembled. Assembly by the customer is not possible.

FEATURES

- + Design table frame, electromotive height-adjustable in powdercoated graphite black mat aluminium
- + Durable tabletops in 1800 x 900 mm format; optionally with modern HPL compact board in white or black
- + Only one operating element is possible!
Control element for height adjustment (standard)
 - + Intuitive hand switch with 4 memory positions
 - + Reminder function via light bar to remind users to change position
 - + With the integrated Bluetooth® and the downloaded Desk Control™ app, the user can also be reminded via notification on a smart device
- Optional at extra cost: "Magic touch" gesture control
 - + Invisible switching function without affecting the design
 - + One hand movement is sufficient to adjust the table to the desired height (cannot be retrofitted)
- + Quick-click foot glides for soft or hard floors
