FEATURES

- + The mega trend "Sitting in motion at a very high level" is the focus of our new model W³, the first 3D-stool of WAGNER
- + This stool moves you at your seated or your standing workplace
- + The base has been shaped from thermoplastic synthetic materials and is divided into individual segments
- + Like a high-tech sports shoe, the sole adapts optimally to the ground and the inclination. Thus the stool develops a unique movement behavior, is extremely dynamic, but nevertheless very solid and stable
- + Seat height adjustment via oil-free clean cylinder
- + The W³ low is quickly and easily transportable due to its practical carrying strap
- + Carrying strap with "Wagner - Move your life" logo
- + Product available with BLUE ANGEL certification in certain versions. For more information see page 87.
