Elastic-3D-mesh black or white

FEATURES

- + Including Dondola® seat joint
- + High backrest with breathable elastic-3D-mesh cover in the colours black or white, height-adjustable via ratchet mechanism
- + Convenient, ergonomic shaped moulded seat with integrated seat-depth and seat-angle adjustment
- + Point syncro mechanism with spring tension adjustment
- + Battery pack installed underneath the seat (charging adapter included in the delivery)
- + TW2 armrests, height-, depth- and width adjustable (via clip closure) with soft arm pads
- + Design polyamide base black
- + 3D-infrared emitter with 36V technology for contactless, homogenous and distance-independent heat transfer throughout the entire central back area for every back shape
- + User recognition via seat contact
- + Integration of the technology underneath the seat
- + Including power pack
- + Two intensities of the infrared emitter are available:
Heat load: rapid locally focused warming of the back muscles
Heat application: for local warming of the central back area, general warming and support of mental relaxation exercises at the workplace
- + Load-dependent braked safety castors either available for soft or for hard floors
